# TOWN WARRANT

1 9 8 4

To the inhabitants of the Town of Albany, County of Carroll, State of New Hampshire, Qualified to Vote in Town Affairs:

You are hereby notified to meet at the Town Hall at Albany, New Hampshire, on Tuesday, the 13th day of March 1984 at 10 o'clock in the forenoon to act upon the following subjects hereinafter set forth. Voting on Articles 1, 2, 3 and 4 will be by official ballot and the polls shall be open for balloting at 10 o'clock in the forenoon or as soon thereafter as the Moderator calls the Meeting to order and declares a quorum present and shall not close before 6 o'clock in the evening. The remaining Articles of the Warrant shall be acted upon at 7 o'clock in the evening or at the closing of the polls if the meeting shall vote to keep the polls open to a later hour.

## GENERAL GOVERNMENT

Article 1. To elect all necessary officers.

Article 2. To see whether or not the Town will approve Amendment 1. to the Albany Zoning Ordinance as recommended by the Planning Board (Changing mobile home permits from special exception approved by the Board of Adjustment to a permitted use with permit issued by the Selectmen) and to be acted on under official ballot of the Town.

Article 3. To see whether or not the Town will approve Amendment 2. to the Albany Zoning Ordinance as recommended by the Planning Board (Incorporating the Albany Sign Ordinance in its entirety and without substantive modification into the Albany Zoning Ordinance) and to be acted on under official ballot of the Town.

Article 4. Are you in favor of having the office of Town Clerk combined with the office of Tax Collector, thereby creating a new office of Town Clerk-Tax Collector to be held by one individual. This office to be for a term of three years commencing at the annual Town Meeting 1985.

Article 5. To hear the report of the Selectmen for the year 1983.

Article 6. To see if the Town will vote to raise and appropriate the following sums of money for the following purposes:

Town Officers' Salaries	\$ 6,790.00
Town Officers' Expenses	6,372.00
Election & Registration Expenses	1,050.00

Town & County Poor	2,000.00	
Library	125.00	
Conway Recreation Center	787.50	
Patriotic Purposes	100.00	
Waterproof Vault-Town Hall	1,000.00	
Capital Reserve-Reappraisal Fund	1,250.00	
Conway Village Fire Dist.-Users Fee	100.00	
Insurance	2,000.00	
Eastern Slope Airport	100.00	
Interest on Temporary Loans	<u>1,000.00</u>	
		\$60,281.50

Article 7. To see if the Town will vote to raise and appropriate the sum of \$47,050.00 (Including Highway Subsidy) to maintain its highways and bridges.

Article 8. To see if the Town will vote to raise and appropriate the sum of \$100.00 in support of the Carroll County Program on Domestic Violence. (By Petition)

Article 9. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Article 10. To see if the Town will vote to authorize the Selectmen to accept gifts and/or Federal or State Aid in the name of the Town of Albany.

Article 11. To see if the Town will vote to authorize the Selectmen to sell, at their discretion, at public auction or by sealed bid, any real estate in the Town to which the Town has title by Collector's Deed; except when it is being sold back to the former owner, in which case private sale may be utilized; any such real estate to be sold and conveyed on or before the next annual Town Meeting.

Article 12. To see if the Town will vote to authorize the Selectmen to establish fees for emergency services, including fire and rescue services; said fees to be related to the fees charged to the Town by the providers.

Article 13. To see whether or not the Town will authorize the Selectmen to investigate and contract in the name of the Town for the disposal of solid waste generated in the Town, with private contractor or contractors lasting for a term of years at such price and other terms as the Selectmen deem prudent and reasonable acting in their sole discretion and capacity.

Article 14. To act upon any other business that may legally come before the meeting.

Given under our hands and seal this 9th day of February in the Year of our Lord nineteen hundred and eighty four.

Highway Equipment (Grader)	12,000.00
Other Property & Equipment	<u>22,750.00</u>
	\$146,679.30

## SELECTMEN'S REPORT

### ALBANY SELECTMEN'S REPORT - 1983 TOWN MEETING

Chairman Steve Knox, prior to giving the Selectmen's Report, asked us to pause for a moment and reflect on the fact that over the last several years, we have witnessed the passing of far too many of our friends and neighbors, who, during their life gave so much of their time and energy to the betterment of our Town. Most recently we've seen the passing of Victor Hammond, who was a selectman for Albany for 6 years. Previous to that, Nora Leavitt who was a Supervisor of the Checklist for a number of years and also was very active in town affairs; Ina Morrill, who became an institution as Town Clerk and Tax Collector for over 35 years. Stan Woolley who was an auditor for the Town for a number of years; Arnold Williams who was a selectman; Gussie Perry who spent a great deal of her time putting together the Town's History so we would have something to pass on; Helen Berry who was very active in the women's group. The success of our form of government depends on the commitment that we as citizens are willing to make to it and these people made that commitment, and in doing so, they left an example for us to follow, and I think it is fitting on this day in particular that we pause and pay tribute to the contribution that they made to our Town. Mr. Moderator, I move that we rise for a moment of silence in memory of these people. People were standing before he had finished speaking.

Mr. Knox then introduced all the Town officers and officials who were present, and gave the following report:

Well, 1982 was kind of an unusual year for the Town of Albany. Some of what put us on the map was the so-called "dynamite" house. That's not exactly the publicity that we want, but we got it anyway. In terms of dollars and cents, that cost the Town approximately \$20,000.00 before we got out of that. Fortunately the Town was reimbursed for every penny, plus a little more, so we got out of that without too much of a financial problem. It's very expensive to defuse a house today.

We are still in the process of discussing with the Forest Service the status of the Passaconaway Rd; that seems to be a never ending thing here. We've reached a stalemate with that, and hopefully we're going to be meeting with them again in April. We've brought in some bigger guns to see if we can't resolve this thing.

In the coming months we're going to be talking with the Fire Departments of both Conway and Tamworth. We've been approached about the possibility of maybe the Tamworth Fire Department handling the southern end of Route 16, up as far as Pine Knoll Campground. The feeling seems to be that it's possible that we could get much quicker, more prompt service from Tamworth for this end of Town. In case of fire, time is a very valuable consideration here, so this is something we're going to be looking into.

One other thing that we as Selectmen have been kicking around, that you should be aware of, is that the Town is growing, and certainly that is good, to have a vigor and vitality, and to see new faces in Town. On the other hand, that poses problems, and we think the townspeople should be aware that as the Town grows

bigger, there are more demands for services; this can create problems. One case in point, although we certainly can't prove it today, is that we have over 200 registered voters on the checklist now and the seating capacity here is only 70. If we take the stove out, it increases to 125, but I'm a little puzzled as to how we could fit 50 more people in here. The point is, if there were burning issues facing the Town at the time of Town Meeting, we'd be hard pressed for everybody to be able to participate and get involved in Town affairs.

One other thing that I'd like to comment on before I relinquish the floor, and that is we have a Cambodian family moving into our Town and I would hope that we would welcome them as the latest of a long line of newcomers to our Town. At one time or another either we or our families were also newcomers here, and I certainly hope that we would welcome them and hope that this is a happy ending for a long and difficult journey for them.

Mr. Bergstrom moved and it was seconded that the Selectmen's Report be included in next year's Town Report. The motion carried unanimously.

## **TOWN CLERK'S REPORT**

## **REPORT OF TOWN AUDITOR**

I have audited the accounts and records of the Town of Albany for the year ending December 31, 1983 and found them to be complete and correct to the best of my knowledge and belief.

Ann W. Croto  
Auditor

2/8/84

## CEMETERY ASSOCIATION REPORT - 1983

The Committee would like to thank those of you who have contributed information pertaining to the Albany cemeteries. Any further information that we might receive would be greatly appreciated, in our efforts to organize the cemetery records.

Beginning in 12/24/83, the Trust Fund monies have been placed in a Certificate of Deposit earning 9.45% interest. The Committee transferred \$1,000.00 from the Trust Fund into the Working Fund for use in the construction work necessary at the High Street Cemetery. This sum, together with the Town's appropriation, will help to complete the work that we hope to ACCOMPLISH AT High Street.

Hopefully, in the future, the cemeteries will be able to be maintained through the use of their own funds.

Finally, we would like to mention at this time that there are no longer plots available for purchase at the Moody Cemetery.

Julie Butler, Chair - 1986  
Beverly Klitsch, 1984  
Richard Wales, Sr., 1985

## REPORT OF THE ALBANY PLANNING BOARD FOR 1983

With the 1984 Town Meeting, the Albany Planning Board will have completed its fifth year as an official extension of the Town's Government. The Board's major fundtions are to administer the Subdivision Regulations and to continually review and update the Zoning Ordinance, Subdivision Regulations, and Master Plan. In 1983, we reviewed and approved applications for six minor subdivisions.

In addition to fulfilling its primary fundtions, the Board has been busy incorporating the Sign Ordinance into the Zoning Ordinance. The purpose of doing this has been to simplify the administration of the Sign Ordinance for the Town and the entire application and appeal processes for the individual by utilizing the framework already provided by the Zoning Ordinance. The Board has also been studying Site Plan Review Regulations from various other towns pursuant to developing our own.

This coming year our two major tasks will be to present to the Town Site Plan Review Regulations for approval and to update our Master Plan.

Once again we would like to welcome anyone interested in participating in these projects to join us in our regularly scheduled meetings at the Town offices on the second Tuesday of every month at 8:00 PM or contact any of the Board members to express your views.

Thank You,  
H. Marc Donaldson

## ALBANY HISTORICAL SOCIETY REPORT

We had several meetings this year, most of them were directed toward the celebration of the 150th year of the town incorporation as Albany.

On July 2nd we celebrated with an Open House at the Town Hall. The Civic Group provided refreshments, and hostess Ann Croto made a beautiful cake for the occasion. There were displays of memorabilia. The Historical Society is grateful to all those who loaned items or materials for our displays, and for all the help we received from the Albany Civic Group.

Mr. Gordon Thayer, County Commissioner, and Mr. Raymond Burton from the Governor's Council both attended the Open House. Mr. Raymond Burton presented us with a book, "N. H. Manual for the General Court".

Nine different Albany's from different parts of the country sent congratulatory letters.

The books, "Passaconway in the White Mountains" by Charles E. Beals Jr., were ready for sale at the Open House. We are pleased with the sale of the books; however, they are not all sold.

We had copies of the 1802 map of the town of Albany made and placed on sale at the Open House. The names of the property owners at that time are listed on the map. The maps didn't go well, and a large number are left.

Magnets in the shape of a heart with "I Love Albany" on them and Chocorua Mountain were also made for the occasion. These went well. There may be a few left, but most were sold.

Work has been done on the vault, and some of the records have been sent to be micro-filmed.

The Historical Society needs more members. We are a very small group and feel a lot could be done if more people would join our meetings.

TENTATIVE  
WARRANT FOR ANNUAL MEETING  
OF THE ALBANY SCHOOL DISTRICT

To the inhabitants of the School District in the Town of Albany, County of Carroll and State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to vote for School District Officers at the Town Hall in Albany on the 13th day of March, 1984. The polls will be open for this purpose from 10:00 a.m. to 6:00 p.m.

ARTICLE 1. To elect a Moderator for the ensuing year.

ARTICLE 2. To elect a Clerk for the ensuing year.

ARTICLE 3. To elect a member of the School Board for the ensuing three years.

ARTICLE 4. To elect a member of the School Board for the ensuing year.

ARTICLE 5. To elect a Treasurer for the ensuing year.

ARTICLE 6. To elect an Auditor for the ensuing year.

YOU ARE ALSO NOTIFIED TO MEET AT THE SAME PLACE AT 1:30 P.M. TO ACT UPON THE FOLLOWING ARTICLES:

ARTICLE 7. To see if the District will vote to authorize the Albany School Board to apply for, accept and expend in the name of the School District, such gifts, advances, grants in aid, or other funds for educational purposes as may be available or forthcoming from any source during the fiscal year, in accord with and upon such terms as are found in RSA 198:20-b.

ARTICLE 8. To see what sum of money the School District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the District.

ARTICLE 9. To transact any other business that may legally come before this meeting.

Caroline D. Coleman  
Carolyn Olsen  
Sarah Young-Knox

School Board of Albany, N.H.

Some small but significant achievements this year are the following:

- (1) Every teacher's performance has been evaluated this year for the first time in many years.
- (2) Every administrator's performance has been evaluated.
- (3) A new staff newsletter has been initiated.
- (4) A comprehensive study of the Guidance Department at Kennett was begun with the goal to make the department more efficient.
- (5) The vocational education program has revamped its scheduling and will allow a greater participation in the program by freshmen and more flexibility by upper classmen.
- (6) A new comprehensive testing system is being implemented to allow us to compare our performance as a school district to other districts and our own standards. This should enable us to determine priorities more realistically.
- (7) The science program at Kennett is undergoing a study to discover how they can improve.
- (8) The graduation requirements of Kennett High have been stiffened to include 2 units of science and 2 units of math.

In the area of physical plant the energy conservation projects at Kennett High School have progressed well with the installation of insulation panels, new windows, and the insulation of the attic in the 1923 building. John Fuller School got its new roof; and Conway Elementary, John Fuller and Kennett received new doors to make more energy efficient entries. Part of the play area at Bartlett was rebuilt and improved. Madison got a new roof, and the kitchen was relocated to squeeze a little more space out of that building. Freedom is now located happily in their new school. In Jackson the donated barn was improved with a new roof among other structural improvements, and a large area between the school and the barn was upgraded for a play area. The Tamworth furnace was replaced and the heating system was modified to improve energy efficiency. Also, the outside brick was cleaned, repointed and sealed.

In all, we believe it to have been a good year thus far, with progress having been made in a large number of areas and more to follow.

## SUPERINTENDENT'S REPORT

by Dr. Francis M. Murphy

The school year 1983-84 has been, by all accounts, a reasonably successful year for S.A.U. #9. The transition from Bob Kautz's administration has gone quite smoothly thanks to the help and experience of the staff that stayed behind.

The high school has made a greater effort to be responsive to community needs, both in Conway and in the outlying districts. A new computerized attendance procedure has brought information to decision-makers soon enough to act on that information before it is too late.

In keeping with a move for cost cutting and efficiency, an administrative position has been cut from the S.A.U. budget. Elaine Woodman, our former Special Education Director, decided in light of this to move to the Bridgton School District in Maine. The tasks that she was charged with were divided between the elementary principals, the high school guidance director, the assistant superintendent of schools and one school psychologist whose working year has been extended by one month to help him accomplish the added duties. Next year the pattern will be similar. We have closed out the old position of assistant superintendent in the 1984-85 budget and opened the position of assistant superintendent for instruction and special education. Accordingly, we will be seeking applicants for this position.

Because of a rising demand for paperwork, some from the state and federal agencies, and some generated to do a more effective job here, we were at risk of having to add another secretary. At the same time our old computer was beginning to break down almost weekly. The solution to both of these problems seemed to be a new computer that could help the secretaries to produce more paperwork faster and solve the problem of breakdowns. The new computer can be used in locations other than just the S.A.U. administrative offices. By merely attaching a phone modem and a so-called "dumb" terminal that has no memory, outlying schools can tap this superb machine, the IBM System 36. During the school year 1984-85 Kennett High School hopes to make use of the new computer for word processing, type setting and scheduling. By the 1985-86 school year, our hope is that we will be doing our own scheduling and have our own report cards and academic records computerized. Many other applications are also possible.

This year was also a year devoted to gathering community perceptions about the schools. The superintendent spoke at a number of local community functions, deliberately seeking what the community saw as the needs of the school district. A great deal of information was revealed about the towns' perceptions of the schools' performance; curiously, meetings with boards, teachers and administrators revealed that we all see some common areas that need improvement. These will become priorities for the administration.

Generally, we will focus on increased community involvement, more decisive administration, and increased student expectations. We fully expect, while maintaining and improving our programs in vocational and special education, to do more to make our more able students competitive in an increasingly challenging world.

# PRINCIPAL'S REPORT

by David Hawkins

In the spring of 1983 a Presidential report entitled A Nation At Risk was released to the public. That report generated considerable concern and press attention. It was followed shortly thereafter with other studies and reports. Some of these back up studies compliment that report while others discount it as a political football.

Whether any of these studies are completely valid or completely invalid is insignificant. The significance of them all is the strong reference to the fact that schools cannot nor should they be allowed to operate in a vacuum. Education is far too sophisticated and complicated to be left to a few experts sitting in some far off office writing critical or complimentary reports.

The health or weakness of any school system is a local issue. Its health is determined by the questions the community asks, by the programs it endorses and by the quality of the people the system attracts and keeps. No school can be anything except what the community wants it to be.

To this end, the Conway Elementary School continues its pursuit of establishing a community-based school; a school which provides forums for discussion and questions, where parents are encouraged to visit and participate in their child's education, where excellence on an individual level is pursued over excellence on a class level.

Academic excellence is not enough. Clear thinking, creativity and the assuming of responsibility must be considered, as well as respect for what we are and where we are going. Certainly we have a long way to go to achieve these goals, but we have accomplished much. As parents and community members, you are encouraged to visit your schools and witness for yourself what is being done to provide your children with the very best of educational opportunities; opportunities that will prepare them for the challenges of the 21st century.

Of the twenty-three Albany students in the high school, seven are following the college preparatory track. The other sixteen are focusing on the vocational area. Of the ten seniors, one student has made the decision to go on for further schooling - in his particular case, the armed services. In the entire group, one student made the honor roll the first term.

Specific information regarding attendance, honor roll, credit checks, and academic warnings are sent out to the local school boards after the close of each quarter.

## Albany School District

### Student Progress Report

#### Elementary

As of January 11, 1984, there are 30 Albany students enrolled in Conway Elementary School; 2 in kindergarten, 5 in grade one, 7 in grade two, 5 in grade three, 6 in grade four, 1 in grade five, and 4 in grade six.

There are 5 Albany students receiving special education resource room services, and 5 students receive Title I remedial reading services.

Performance on the STS Achievement Test, administered in the spring of 1983, indicated that 18\* students performed at or above grade level. Successful accomplishment by grade is as follows (for the 1982-83 school year):

Kindergarten - no test	Grade 4 - 0
Grade 1 - 5	Grade 5 - 2
Grade 2 - 3	Grade 6 - 4
Grade 3 - 4	

\* Special needs students are excluded from these figures.

Subject matter curriculums are on file at Conway Elementary School. School personnel will be more than happy to meet with Albany citizens and review these documents for further clarification of grade level expectations.

#### Secondary

Albany's enrollment for the school year 1983-84 at Kennett High School (grades 7-12) is 36 students. Of this number there are 13 seventh graders and no eighth graders. These junior high students are taking the required classes: English, Social Studies, Math, Science, Physical Education, Art, and Shop/Home Economics. Band, Chorus and French are optional. In major core subjects, students are grouped according to ability, with recommendations made by the referring elementary school teachers. As of the first term, which ended in November, there were no seventh graders on the honor roll.

In the high school there are currently four 9th graders, five 10th graders, four 11th graders, and ten 12th graders. These students are assigned a level in most academic courses ranging from 100 to 400. A 100 course is considered a basic skills course, 200 is slightly more difficult, a 300 course is recommended for those students pursuing further schooling, and a 400 course is recommended for accelerated students, some who may be planning for advanced placement on the college level.

To graduate from Kennett, a student must have at least 18 credits; 4 English, 2 Social Studies, 2 Science, 2 Math, and 1/4 Physical Education, allowing 9 3/4 credits for electives. The increased credits in Math and Science, from 1 to 2 credits, was made a requirement for the 1986 class and subsequent classes. These requirements for graduation are minimal. Any student interested in college or vocational training should take additional credits in the core areas as well as several years of a language. For those students primarily interested in vocational training, Kennett also offers classwork and practical experience in the vocational areas: auto mechanics, woodworking, house construction, metalwork, office occupation, consumer and homemaking, drafting, graphics and distributive education.

# REPORT OF SCHOOL DISTRICT TREASURER

Fiscal Year July 1, 1982 to June 30, 1983

Cash on Hand July 1, 1982 (Treasurer's Bank Balance)		\$ 32,128.46

ACCOUNTANT'S REPORT ON FINANCIAL PRESENTATION

---

To the Members of the School  
Administrative Unit No. 9 Board  
Conway, New Hampshire

We have examined the combined financial statements of the School Administrative Unit No. 9 as of and for the year ended June 30, 1983, as listed in the accompanying table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset group of accounts, which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset group of accounts results in an incomplete presentation as explained in the above paragraph, the combined financial statements referred to above present fairly the financial position of the School Administrative Unit No. 9 at June 30, 1983 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the combined financial statements of the School Administrative Unit No. 9. The information has been subjected to the auditing procedures applied in the examination of the combined financial statements and, in our opinion is stated fairly in all material respects in relation to the combined financial statements taken as a whole.

*A. Bruce Carr, CPA*
